Consent

I consent to North Western Inshore and Conservation Authority using photographs and/or video recordings including images of me for promotional purposes. Such images may contain other contextual information (such as the Port Letter Numbers of your vessel or the location of the image). These images could be used in print and digital media formats including print publications, websites, posters, banners, advertising, film, social media, teaching and research purposes.

I understand that images on websites can be viewed throughout the world and not just in the United Kingdom and that some overseas countries may not provide the same level of protection to the rights of individuals as EU/UK legislation provides.

I understand that some images or recordings may be kept permanently once they are published, for example, in an Annual Report. I have read and understood the conditions and consent to my images being used as described.
